PROJECTS

Limbo - Crimson and Indigo, 2021

Designer and Engineer

Designed and engineered the Limbo interactive installation as part of the Siggraph 2021 competition submission. Limbo is an interactive installation that explores the human physical senses and digital interaction during the pandemic lockdown in Bangkok, Thailand.

CullinanSky - TROP : TERRAIN + OPEN SPACE, 2023 - Ongoing

Junior Landscape Designer

Landscape project co-ordinator for CullinanSky, a commercial residence set in Hong Kong. CullinanSky is an on-going project in collaboration with Sun Hung Kai properties to establish a place of residence and economic center point at the heart of Kai Tak, Hong Kong.

Temple Memorial - ArchiveTeam, 2024

Graphic and 3D Designer

In charge of light projection graphic design, 3D modeling of the construction for event spaces. The Temple Memorial event is an urban tourism event spanning 10 days across 4 temples in Bangkok city. The event employs interactive design and lighting to pay tribute and awareness to the royals who founded the temples.

EXPERIENCE

Temp Employee - Crimson and Indigo Creative Agency, 2021

Copywriter and Junior Designer

6-month temporary employee for Crimson and Indigo Creative Agency. In charge of English copywriting for both the company's online presence, as well as copywriting for clients' business proposals, presentations, websites, and project descriptions. Occasionally worked as a 3D designer and 2D animation artist for project based requests.
